

- Reaffirm long-standing U.S. support of the GNA.
- Reaffirm long-standing US support of a political peace process to unify Libya, leading to elections.
- Call for an immediate cease-fire consistent with the above.
- Denounce military offenses, including against Tripoli, which create serious humanitarian crises and divert attention from the fight against terrorists.
- Denounce foreign military interference in Libya, and call for thorough investigations into the four US-made Javelin missiles found in a Haftar compound there and the alleged financing of foreign fighters by the UAE.
- Call for stronger US leadership and a more developed US strategy toward Libya.

The language above and below the video specifically states this is surveillance video of the migrant shelter in Tajoura which was hit by Haftar-aligned planes. It says there is one police car outside the shelter. When the first air strike happens, frightened migrants can be seen running around along with members of police. On minute 13, the more catastrophic airstrike happens which killed scores of migrants. They can be seen running in and out of the shelter. Their movement was not impeded.
